

Races are at Bristol NORDIC Center at the top of the hill, not at Bristol Mountain Resort on Rt 64 at the base of the hill. Take 64 from Mendon or 444 south from Rt 96 Victor, east on Rt 5/20, south on 64, right on CR32 at Bristol Center, up the big hill, then left to South Hill Road which is about 5 miles uphill dirt. Bristol NORDIC is at the end!

***Driving / parking TIPS for Parents
FOR
Bristol Nordic Center***

1. South Hill Road is fine to drive on
2. Take your time on the corners
3. At the end of South Hill Rd you arrive at the access road for the Nordic Center – TURN left onto the road
4. Spectators must obey the signs for parking areas – PRIORITY is given to school buses
5. Handicap spectators may proceed to the indicated handicap parking area
6. Any parents dropping skiers / or stuff off may proceed to the drop off circle then return up the road to park
7. Most spectator parking will be between the last bus area and the gate and then on South Hill Road
8. We apologize for the inconvenience but skiers safety must come first.
9. On the Summit Road **DO NOT stop on the LITTLE hill!!!!!! – this slope may look little but it can be very icy and tricky**
10. There are signs to indicate bus parking areas

All drivers please be considerate of others – thank you

Signs: Tent sign:
NO car parking
beyond.
Handicap ONLY

4-5 Buses

2 Buses

3 Buses

2 Buses
